

# **S**OUNDVIEW Consultancy

(An Excellent Business Solutions Provider)

## Where We're Going: Our Vision

To be the leading business consulting  
and engineering solution providers in  
Sub Saharan Africa by 2015.

# **SOUNDVIEW** Consultancy

(An Excellent Business Solutions Provider)

## What We Do: Our Mission

**A dynamic and efficient consulting and support partner delivering value through:**

- Business Decision & Investment Analysis support to help you make the right decision in the presence of risk and uncertainty;
- Risk-Based and Cost Management systems to help you mitigate risks in your operations and get rid of unwanted/unnecessary expenses and costs;
- Operational Efficiency and Excellence to help you optimize the value of your operations;
- Human Organizational Capacity Development;
- Manage facilities and operations (service centers outsourcing, etc)
- Engineering Services (FEED, EPC, Project Management, QA/QC, asset engineering, etc)
